§ LARGE ENTITY STATUS CLAIMED

Commissioner for Patents

SUBMISSION OF FEES PURSUANT TO 37 C.F.R. § 1.28(c)

Dear Sir:

RECEIVED
FEB 20 2003
OFFICE OF PETITIONS

Applicants request the above-identified application be withdrawn from erroneously claimed SMALL ENTITY STATUS.

United States Patent Application, 09/776,394, a Reissue application of U.S. patent number, 5,865,846, from which the subject Request for Continued Examination (RCE) Application is based, was originally filed on February 2, 2001 and included therewith a Verified Small Entity Statement, which was filed in good faith. However, since that time, the assignee (Spinal Dynamics Corporation) merged into and thus assigned the patent to Medtronic Sofamor Danek, Inc., a large entity. Therefore, United States Patent 5,323,448, thereafter became classified as LARGE ENTITY.

In preparation of the subject RCE Application, Applicants inadvertently overlooked the above-noted status change to LARGE ENTITY in the parent issued patent. Therefore, the small entity status is hereby withdrawn and the differences in filing fees for the subject RCE

application are submitted herewith.

A check in the amount of \$370.00 is attached for the differences between the amount of fees originally paid and the amount that now would be due if the fees were paid today without a claim of small entity status.

The Commissioner is hereby authorized to credit any overpayment or charge any deficiencies in fees to the Deposit Account of Haynes and Boone, LLP 08-1394.

Respectfully submitted,

David M. O'Dell
